

# Changing the Course Tile Image

---

Complete the following steps to change the default course tile image:

1. Hover mouse over the course tile and click the **More Options** menu. If you are using assistive technology or keyboard-only navigation, press tab to access the **More Options** button and press enter to view the menu items.

2. Click **Change Image** or press Enter.
3. Search or browse the list of available images.
4. Hover over the image you want to use and click **Use this image**. If you are using assistive technology or keyboard-only navigation, press Enter to select the image.
