

Searching Courses by Semester or Role

This guide provides general tips on how to search courses in the new eLearning Daylight.

Searching Courses

Filtering by Semester

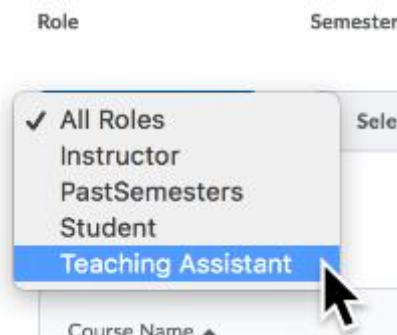

1. Click the **Course Selector** (a)

2. (b) Type the semester code (e.g. 17SP) in the **Search a Course** textbox and (c) click the **Search** button.
3. Click on the course to access or pin it to your dashboard.

Filtering by Role

1. Click the **Course Selector**.
2. Click **Advanced Search**.
3. Select a role from the Role drop-down list.

4. Locate the course from the list displayed and click on the course you need to access.
